Record Updates

Because this site is the official court docket, case information posted on this site is current with information posted by clerk of court offices. Our clerks' o strive to enter case information on the docket as soon as possible after receiving it. Nevertheless, delays occur because clerk of court offices are busy t other important business.

Electronic Record Start Dates

All counties in Iowa were moved to the Iowa Court Information System (ICIS) as of September 1997. Some counties began entering data as early as Oc 1991. Be advised, depending on the county, cases prior to September of 1997 may exist in manual docket format only and are not available on this pag [County Start Date Index](#).

Some pre-ICIS cases were entered onto the system to maintain financial records and they will appear with a 01/01/1901 initiation date.

This Website is Updated Hourly

The Iowa Sex Offender Registry became law on July 1, 1995 and is found in Chapter [692A](#) Code of Iowa

On or after July 1, 1995, an individual who has been convicted or adjudicated of a criminal offense against a minor, sexual exploitation, or a sexually violent crime or who was on probation, parole, or work release status, or who was incarcerated on or after July 1, 1995 is required to register. Registration does include individuals that have received a deferred sentence or deferred judgments and can include convictions from other jurisdictions such as other states and/or federal convictions.

The information on this website is provided from the Iowa Sex Offender Registry to the public pursuant to Iowa Code chapter 692A. The purpose of this information is to allow members of the public a means to protect themselves from individuals who have committed an offense that requires registration on the Sex Offender Registry. If you see information on our website that is wrong about an offender, please notify the sheriff of the county where the offender lives. You may also email this agency via the "contact" link located on this website.
